Nevada FFA Association Floriculture & Novice Floriculture Career Development Event

This information is pulled from the 2017-2021 National FFA Floriculture CDE Handbook.

Event Materials

Materials students need to provide for the practicums at Sparks Florist. Students may bring these supplies to the event in a small box, bag, or tool belt/apron as noted below. All other supplies/materials will be provided and these should be the only materials the students bring to the event.

- Clear plastic clipboard, free of notes
- Two sharpened No. 2 pencils
- Floral cutters/clippers
- Ribbon shears
- Wire cutters
- Floral knife
- Calculator- Should be battery operated, non-programmable and non-scientific (basic five function only). No other calculators are allowed to be used during the event.
- Participants may also bring an apron, and/or a tool belt and towels.
